THE REVOLUTION TOUR

Promoting positive change in the stand against bullying

In schools for Anti-Bullying Week 2017
13-17 November
www.therevolutiontour.co.uk

Who are we?

The Revolution Tour is a national charity dedicated to promoting positive change in young people.

We partner with schools in educating students, and work to empower them to stand against bullying through an interactive and lively presentation of music, dance and inspiring life stories.

What do we do?

Our schools presentations work best in a dedicated assembly or session for a year group or more, lasting 30-60 minutes. The presentation contains live music, dance and inspirational messages of hope, empowerment and positive change, delivered by our creative artists and youth communicators.

A background image showing a group of young people in a school setting. They appear to be engaged in a conversation or a presentation. One girl is smiling and looking towards the others.

HOW MUCH IS IT?

The Revolution Tour is completely FREE for your school!

We are also able to provide all our own sound equipment, all we need is a hall, a projector and students!

We believe in the impact that The Revolution Tour is able to bring to your school and students so want to offer it to as many schools as possible.

LEARNING OUTCOMES

Students will be taught on respecting others, regardless of race, gender, looks

Students will be encouraged to communicate and relate to each other in positive ways over all forms of communication including social media

Students will come away with an increased sense of self value

Our team and artists present strong and positive role models for students to look up to

Students will be taught on and encouraged to make positive life choices

REVIEWS AND ENDORSEMENTS

"It has been great to have The Revolution Tour back again this year to kick off Anti-bullying week for us. The students and staff enjoyed the amazing music, were made to think on a deeper level about why bullying happens, what to do about it and took away some great nuggets of wisdom to use in their life. The team were great role models for our students."

Mrs Ratnayake, School Chaplain, Bishop Wand Church of England School

"We really enjoyed welcoming back the Revolution Tour during Anti-Bullying Week this year, and would highly recommend them. The students really benefitted from the positive message which was relayed in a fun, interactive way. Thank you!"

Alistair Green, Assistant Head, Jubilee High School

"The Revolution Tour was fantastic! Students were so engaged with the inspirational performances of the team, and embraced the messages of tolerance and respect they delivered. We love having the Revolution Tour visit and look forward to 2017!"

**Stephen Burns, Deputy Head,
The Green School**
